**DEP is Going Paperless! The DEP Northeast Regional Office Air Quality Program is now accepting permit applications as well as compliance documents electronically through the OnBase Electronic Forms Upload tool.** This provides the public with a streamlined and expedient process for the submission of permit applications and documents for which ePermitting options do not currently exist. Please use this link to access the feature: [OnBase Public Upload Tool](#). Guidance for the new permit application tool and instructions for applicants to submit permit fees are also found on this page.
